DEDICATION

Any true leader is possessed of admirable traits. Rarely, however, does one find in any one person the combination of traits which have made Mr. Munden the exceptional leader that he has been.

He has been steadfastly kind and unflinchingly helpful; he has rejoiced in our happiness and sorrowed in our unhappiness; he has been our leader and friend; he will always have a place of admiration in our hearts.

It is with sincere gratitude, therefore, that we dedicate this book to Mr. Edward Munden.

SPORTS

1947 FOOTBALL

The Greyhounds were led through an outstanding season in '47 by Coach Marvin Harris. It was mainly due to his hard work and coaching ability that the team was able to overcome the many difficulties which face a winning team, and our team was a winning one. Coach was closer to the boys than just an instructor; he was like one of us.

Coach Harris was unusually clever in adapting his football to his material and got the very most out of us by his fine leadership, untiring energy, and love for his boys.

Here's to a swell coach!

OUR SEASON AS WE SAW IT

The Greyhounds opened the 1947 season with an impressive 31-6 victory over Laneri. The new football field was dedicated during the half of this game. With flowing spirit the Greyhounds raced on with non-conference wins over Brady and Jacksboro. In the first conference game, Handley beat a determined Birdville team 20-7 in Birdville.

The Greyhounds journeyed to Nocona for a non-conference game. The Nocona eleven was a heavier crew, but the spirit that always goes with a Handley team brought a 19-0 victory for the Greyhounds.

Next we played Masonic Home Masons. Rain fell during the game making the ball hard to handle, but the Greyhound won 12-0.

Arlington, a double-A team last year, invaded Handley's stadium with the intention of stopping Handley's winning streak. After three quarters of play it looked as though they might stop the Greyhounds, but a last minute touchdown, by a Les Keen to Otto Stepp pass, brought a 6-0 victory over Arlington.

A game scheduled between Handley and Irving was postponed because of rain.

Handley at this point was first in district with three wins and no losses. Diamond Hill was second with two wins and a tie. Handley's last game was with Diamond Hill. The night of the game rain fell in torrents, and left Farrington a muddy field. The Eagles boasted a heavier team and in the mud were a more powerful team. The game ended 13-0 for Diamond Hill. We feel that the season was highly successful although we did not win District.

FROG'S EYE VIEW OF THE DIAMOND HILL GAME

Our outstanding quarterback of the year, Lee Keen, demonstrates some of his defensive ability by bulldogging an Eagle in the mud.

Our captains team up to stop an Eagle in its flight, for no gain. Other Greyhounds coming in are, Elmer Browder, Jack Gressett, Bill Gosney, Bob Gosney, and Elmo Reeves sliding through.

Stapp

Captain Otto Stapp gives his approval as teammates Glen Hefner and Curtis Ketchum smear an Eagle.

BOY'S TENNIS AND TRACK

These four boys, Pete Sears, Tom Brewer, Elmo Reeves, and Bob Osborn, made up our Senior Tennis Team of 1948. Bob Osborn won the District singles and went to semi-finals in the regional meet at Dallas. Tom Brewer and Elmo Reeves won District in doubles and were defeated in quarter-finals at Dallas.

JUNIOR TENNIS TEAM

Jerry Porter, Eugene Foster, Jerry Cobb, and Dickie Caruthers were our Junior Tennis Team. These boys advanced far in Junior play and are wonderful prospects for the coming year.

TRACK TEAM

The track boys opened their training despite the late winter with a spirit of hustle and determination. Led by such stalwarts as Bob Osborn (Capt.), Dale Reynolds (Capt.), Bill Burns, Eldon Mack in the Seniors, and Tom Brewer and Clifford Polk in the Junior division, the team shaped up rapidly and enjoyed the advantages of an unusual amount of competition by entering dual and triangular meets which Coach Harris helped to arrange. The District 12-A Track Meet was held at Farrington Field on Saturday, April 10. Handley's thinly-cleds made a strong bid in the high jump, broad jump, half a mile, and four forty. The outstanding performance of the season was Eldon Mack's running and winning of the half mile in the region which gave Handley the honor of being represented at the State Track Meet in Austin.

Left to right, back row: Dickie Caruthers, Robert Hill, Fred Gowdy, Tom Brewer, Bob Hodges, Bob Gosney, Junior Lewis, Bob Haliburton, and Coach Harris.

Front row: Bob Osborn, Edwin Johnson, Ralph Throne, Bill Burns, Eldon Mack, Bill Gosney, Fred Harris, Jack Hart, Jim Gwin, and Clifford Polk.

GIRLS SPORTS

The girls of Hendley High School are very fortunate in having at the head of our Health and Physical Education Department, Mrs. Dorothy Wilson. Mrs. Wilson has taught us the principles of health and clean living and has given us much help and encouragement in our play and personal development. She has always kept before us the principles of good sportsmanship and fair play.

During the past year, Mrs. Wilson has been more than a friend to all of us and has helped us in every way that she possibly could.

MRS WILSON

GIRLS TENNIS

The girls have accomplished much in physical education this year. We have had a lot of fun participating in both individual and team sports which have helped in gaining individual development and practicing good sportsmanship. Several units of Hygiene have been studied which have taught us the proper care of our bodies.

The tennis teams have had a very successful year under the direction of Mr. Weaver. The Senior team won the District meet and will participate in the Regional meet at Dallas. The Junior team participated in the city meet.

SENIOR PLAY

The 1948 Senior Play, "A Case of Springtime," owes its success largely to the very efficient sponsor, Miss Epsa Wells. All the members of the cast realize this and appreciate her willingness to help us in every possible way. Everyone is aware that if any play is successful, the sponsor is largely responsible for that success. Directing a large group in a play requires a great amount of hard work and much patience. For these kindnesses we wish to express our gratitude to our very capable sponsor, Miss Wells.
